Subject: Octroi Establishment for Bowringpet Municipality

Sir,

In forwarding herewith a copy of the resolution of the Municipal Council, Bowringpet passed at their meeting held on 25/2/1945 in the matter of employing additional staff for collection of Octroi, I have the honour to state that at present, there is no separate staff and the Toll-gate servants are attending to this work. The work of collection has to be more efficiently watched owing to the levy of Octroi duty on certain articles sanctioned as per G O No L 1023-4/M 1 118-41-254 dated 13/12/43. The Municipal Council have resolved that one Octroi Inspector on Rs 30-1-35 and five peons on Rs 10/- each per month may be employed for the purpose. This is a town Municipality and only a Sanitary Inspector is working. He cannot be entrusted with collections of Octroi revenue according to Standing orders. The additional staff proposed is quite necessary in the interests of better collection only. Provision

provision to meet this extra expenditure has been made in the current year's budget estimate of the Municipality in the circumstances, I request you to kindly obtain sanction of Government for the employment of the above staff, for a period of two years in the first instance

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District
